After 40 years, don't you think it's time for a party???

As shocking as it might seem, 2012 is the 40th Anniversary of our Hampshire class. Come reconnect and celebrate with friends and the faculty you worked with all those transformative years ago. The class of 1972 will get together on campus this June during the Division IV weekend!

The reunion dates are June 8-10, 2012.

Division IV is the second in a new series of annual intellectual, creative, and stimulating weekend programs in which alums, faculty and staff, families, and friends come together to learn from each other and explore new ideas on a particular theme. This year's is social change. We'll be looking at social change through a variety of lenses and perspectives (arts, science, business, politics, activism, technology, film, and more). There will also be plenty of opportunity to catch up and just celebrate.

If you'd like to join the 1972 Anniversary Subcommittee, send an email to alumni@hampshire.edu. The committee's role is to help advise Alumni and Family Relations on programming for the weekend and to help spread the word. It would also be great if members could commit early to participating in the weekend. We're organizing our first phone conference for late-November.

Come celebrate our 40th Anniversary, Hampshire College, our impact on the world, and our future.

We look forward to seeing you in June!
