John Wildman

I have two kids (Elijah - 3 years old; Adelaide - 1 years old) as well as two cats (Thomas - orange tabby; Fitz - grey scruff-muffin) and am married (Laura; wife). I have worked in various roles at Hampshire since I started here in the Fall of 2018 and very much consider the students, staff, & faculty here my friends & community. Some of my hobbies include pickling, poetry, playing guitar, learning chinese language, video games, and learning history. I'm exciting to welcome you to our campus in just a few short weeks!
