Dear New and Transfer Students,

On behalf of the Division of Student Affairs, WELCOME TO HAMPШIRE COLLEGE! We are delighted that you will be joining us this Fall. We have learned that Hampshire students are storytellers, innovators, community builders and change-makers and we believe you will make your mark, not only on this campus, but on the world. We are here to provide you with essential ingredients (activities, services, and resources) and a conducive environment to embark on your Hamp Journey. Do consider us characters who will build relationships with you and strengthen your skills in self-advocacy and resiliency, particularly during challenging times. Know that we want you to be empowered to share ideas and connect with us directly to have solution-oriented discussions whenever a concern or need arises. We hope that we will work together towards building a kind and caring community that “fosters a lifelong passion for learning, inquiry, and ethical citizenship that inspires us to contribute to knowledge, justice, and positive change in the world and, by doing so, to transform higher education (Hampshire’s mission).

So what do you want to write in chapter one?
