Extension date for students whose work was not completed by December 14, 2017 or January 2, 2018 Deadlines:

Students who do not complete the Division III project by the December 14, 2017 or January 2, 2018 deadline are typically expected to take another semester of full enrollment. In some cases of extenuating circumstances, when both advanced educational activities have been successfully completed, but the Division III Project has not been completed, a student may request an extension. If a student is granted an extension, the date for submission of all completed work would be the first advising day in the following semester, February 15, 2018. And the Division III evaluation would be due within 10 days after this deadline.
