Extension date for students whose work was not completed by the May 7, 2018 deadline:

Students who do not complete the Division III project by the May 7 deadline are typically expected to take another semester of full enrollment. In some cases of extenuating circumstances, when both advanced educational activities have been successfully completed but the Division III project has not been completed, a student may request an extension. If a student is granted an extension, the date for submission of all completed work would be the first advising day in the following semester and the Division III evaluation would be due within 10 days after this deadline.
