Sort

- First Name
- Last Name
- Term of Entry
- Anticipated Graduation Date

Locate your Division II and III requests on the Advising tab of TheHub. You can search for students using the drop-downs under your own name; the name of any other chair faculty member, by student name and by study area. Only students included in the current semester's cohort will appear. The tally in the pink boxes in "Your Division II and III committees by semester" will change as you agree to serve as chair or member on committees. Click on student pictures to see the request.

Division II Committee Request

The state of this committee request is **ongoing and viewable by faculty**

Your anticipated completion term for Division II is 2017S and the deadline to pass Division II is at the beginning of the following term. This date is currently based on your year of entry to Hampshire.

Academic Interests

Use a few key words or a phrase to describe your interests (but keep it under 80 characters!).
U.S. History after WWII, New Deal

Which topics are of interest as you consider Division II? Carefully select between one and three areas of interest on the form because faculty will locate students based on these areas.

History Politics none

Prospective Hampshire Faculty

In the spaces below list a minimum of three and up to five Hampshire faculty who you would like to have as a chairperson or member on your Division II committee. If you are not familiar with some faculty you should browse faculty biographies to learn more about them and their area of study.

Faculty listed with an asterisk * are on sabbatical or leave this semester. These faculty may be unavailable immediately to serve as chairpersons, but may be able to serve as chair or member upon their return. It is possible that after you post this request a faculty member you have not listed will indicate that they are interested in working with you. In this case you will receive an e-mail letting you know of this change to your request form.

Role	Faculty	Have you talked to this person?
Chair	Aaron Berman	Yes <i>required</i>
Chair	Susan Tracy	Yes <i>required</i>
Chair	Ernest Alleva	No <i>required</i>
Chair	(none)	
Chair	(none)	

This picture is from the student perspective. Students enter academic interests in lieu of a title and select up to three study areas.

They use this link to see faculty bios and enter names below.

Only faculty available in the upcoming "filing semester" are included in the list. They also indicate if they have spoken to these faculty.

Students complete three text boxes: an overview, their goals and "What else?", which allows them to provide additional information (e.g. "We agreed last week that you'd be my chair.")

CSI-0113	Cities of the Global South	Gonzales	✓ Complete
OPRA-0121	T'ai Chi	Zlin	✓ Complete
2014F			
CS-0177	Aliens	Hameed	✓ Complete
CS-0194	Environmental Education	Zimmerman	✓ Complete
HACU-138T	Images of War	Lynch	✓ Complete
LS-0102	Elementary Spanish II	Lopez	✓ Complete

Optional Documents

You may upload two documents with this form. These documents might be projects, writing samples or anything else you would like your prospective faculty to see. **This is not required.**

Document 1

External URLs

If you have work (images, videos, writing, blog posts, etc) hosted on a website outside Hampshire, feel free to enter a URL to share with prospective faculty so they may view your work.

Your Response

Faculty	Spoken with?	Role	Comments
Aaron Berman	Yes	No response	
Susan Tracy	Yes	No response	
Ernest Alleva	No	No response	

Faculty may respond to student Sdivi Committee Requests from 10/3 through 10/16.

As options in the course listing section, students can select up to three course evaluations to include (click the blue link to see the text in a new window), upload one or two additional documents such as writing samples, and provide an external URL to link, for example, to a document with photos of their art work.

You will be able to see requests and send emails to students and the other requested faculty, but will not be able to agree to serve on committees until the deadline for students to complete the process has passed.

If more than one faculty member says 'yes' to serving as chair or member, they will be asked to resolve this before the faculty deadline has passed.
