

Lead Student- Springfield No One Leaves (Summer)

Community Partnerships for Social Change (CPSC) is looking for a student to work with Springfield No One Leaves (SNOL/NSM) this summer and grow our partnership with this campaign. The SNOL/NSM Lead Student will spend 80% of their time working for SNOL/NSM and 20% of their time working for CPSC. This position will ideally work 200-250 hours over the course of the summer. Summer staff will be given priority for a lead student position in the upcoming academic year.

About Springfield No One Leaves/Nadie Se Mude (SNOL/NSM)

Springfield No One Leaves/Nadie Se Mude is a member-led community organization organizing families affected by foreclosure and eviction to fight back against displacement and defend our communities. SNOL/NSM prioritizes political education and leadership development in all aspects of the work, aimed at developing and empowering residents who are most impacted by economic injustice to be organizers and leaders for a broad economic & social justice movement. About CPSC

Since 1987, the Community Partnerships for Social Change program has been a campus resource for students and faculty who wish to integrate their academic interests with their social action/community-based experiences. A primary goal of the program is to facilitate respectful reciprocal relationships between local communities and Hampshire College students, faculty, and staff. We offer community-based internship opportunities, summer internship opportunities, training seminars, and a variety of resources to strengthen students' social justice organizing skills.
