### SECTION C: Verification of 2020 Income

If you are single and a dependent student, we will need to verify your and your parents' 2020 income (the parents are those who are listed on your FAFSA). If you are married, we need to verify your and your spouse's 2020 income. If you are single and an independent student, we will need to verify your 2020 income. Income may be verified by the methods listed below. Please review each of these methods to see if they apply to you, your parents, and/or your spouse:

1. If you, your spouse, and/or your parents filed a 2020 IRS income tax return, the easiest and fastest way to verify income is to use the Data Retrieval Tool (DRT) on the FAFSA. Hampshire College will receive a new FAFSA report indicating that the DRT was used to import income and tax data from the IRS. Information about the IRS Data Retrieval Tool is available on our website, <https://financialaid.hampshire.edu>; click on the Verification Process link on the first page.

**Check here  if you and/or your parents or spouse filed a 2020 IRS income tax return and used or will use the DRT to verify 2020 income; you and/or your parents (or spouse) may now skip to Section E.**

2. Some tax filers are not eligible to use the DRT including those who are married but filed separately or those who filed an amended tax return. If you are not able to use the DRT you may request a 2020 IRS Tax Return Transcript directly from the IRS. You will then send the transcript to the Hampshire College financial aid office; be sure student's name is written on the transcript. OR, you may send us a SIGNED copy of the actual 2020 IRS 1040 tax return. Please send us the first two pages of the tax return along with Schedules 1, 2, and 3, if applicable. Be sure that at least one of the tax filers sign the form on the Sign Here line on Page 2. Please sign by using a pen. Instructions on how to request a Tax Return Transcript are available on our website, <https://financialaid.hampshire.edu>; click on the Verification Process link on the first page.

**Check here  if you and/or your parents or spouse filed a 2020 IRS income tax return and will request a Tax Return Transcript or will send us a SIGNED copy of the 2020 IRS 1040 tax to verify 2020 income; you and/or your parents (or spouse) may now skip to Section E.**

3. If you, your spouse, and/or your parent did not file, and was not required to file, a 2020 IRS income tax return please check the appropriate box(es) below that apply and follow the corresponding instructions:

3A: Student was not employed and had no income from work in 2020 and was not required to file a 2020 IRS income tax return. **If checked and if student is a dependent student, student may skip to Section E. If checked and if student is an independent student, student may skip to Section D. A dependent student is one whose FAFSA requires information about one's parent(s). An independent student is one whose FAFSA does NOT require information about one's parent(s).**

3B: Student's spouse was not employed and had no income from work in 2020 and was not required to file a 2020 IRS income tax return. **If checked, student's spouse may now skip to Section D.**

3C: Both custodial parents were not employed and had no income from work in 2020 and were not required to file a 2020 IRS income tax return. **If checked, parents may now skip to Section D.**

3D: Student, spouse, or one or both custodial parents, were employed in 2020 and had earnings from work but were not required to file a 2020 IRS tax return. **If checked, please complete the non-tax filing statement below and then continue to Section D.**

#### NON-TAX FILING STATEMENT – to be completed only if the box to Question 3D in Section C above is checked

| Employer's Name | Amount earned by Student Non-tax filer | Amount Earned by Parent Non-tax filer (if dependent student) OR Amount Earned by Spouse Non-tax filer (if married student) |
|-----------------|--|--|
|                 | \$                                     | \$   |
|                 | \$                                     | \$   |
|                 | \$                                     | \$   |
