## Bill Worksheet for Fall 2021 New Students

*Keep this sheet handy to use when the bill is available to view in July for the fall and in December for the spring.*

This worksheet is intended to help you determine your share of your Hampshire bill after financial aid is deducted from it. Your share of the bill must be paid by the bill due date to avoid late fees.

	Fall Term	Spring Term

*\*This is the amount you and your family must be prepared to pay by the due date. You and your family can elect to pay in full, use the monthly payment plan through Nelnet, credit card, parent loans or some combination of these options. Information is available at <http://studentaccounts.hampshire.edu> and <http://loans.hampshire.edu>.*

*Note: In support of sustainability efforts at Hampshire College, actual bills will be available electronically on the college's student administrative online system, TheHUB. Students may authorize access to parents and others, allowing them to view and pay the bill. The student and other authorized users will receive emails when a new bill is available to view. For more information, please visit <http://studentaccounts.hampshire.edu>.*

Please see below for notes

## NOTES

- J. When completing this line, you should deduct the origination fee of 1.057% (subject to change) that will be deducted from the loan proceeds. Our website – <http://loans.hampshire.edu> has more details. If you do not follow through on the procedures for this loan, you and your family are responsible for this amount.
- K. If you have a state grant in your award, you must follow up on the paperwork to secure it. If it does not come through, you and your family are responsible for this amount.
- M. If you are receiving outside awards, you must follow up on the paperwork to secure these awards and to make sure the funds are sent to the financial aid office. If these awards do not come through, you and your family are responsible for these amounts.
- O. All students are required to pay a security deposit. Deposits are not included in financial aid offers, but they are billed and must be paid prior to enrollment. This may require additional family contribution.
- Q. If you paid the \$400 acceptance deposit at the time you enrolled with admissions, then you may remove this amount. However, if you did not pay this deposit at that time, then the amount is still owed.
- R. If you are covered by your family's health insurance plan **and** you successfully complete the online waiver with Gallagher Insurance ([www.gallagherstudent.com/hampshire](http://www.gallagherstudent.com/hampshire)), you may deduct \$1,574 for the fall term and \$2,183 for the spring term.
- S. If you have **approval from the housing director** for living off campus, you may deduct \$7,216 per term for the fall and spring semesters. Please note, your Hampshire Grant, if eligible, will be reduced by \$1,000 per term as well. If you plan to commute from home please notify the financial aid office.
- T. If you live in an on-campus apartment (mod), and you do not purchase the full meal plan, you can deduct \$2,956 per term for the fall and spring semesters. Please note that if you are living in a mod, you will be required to purchase a 75 block meal plan each semester for \$750/semester. Each block meal counts for one meal at the Bridge Café, Kern Kafé or Dining Commons. If you do not purchase the full meal plan your Hampshire Grant, if eligible, will be reduced by \$1,000 per semester.
- V. Work-Study – available only to students who have work-study as part of their financial aid award. You can elect to use a portion of your work-study earnings toward payment of your bill. You can utilize up to \$500 each semester and must sign up for payroll deduction at central check-in on arrival day. Remember that if your actual deductions do not total the amount you signed up for, you and your family will have to cover the difference.

**Work Study:** You will have the opportunity to earn your work-study offer in either an on- or off- campus job, but it is your responsibility to secure the job. The Student Employment Office provides job information and jobs are listed on the intranet in August. To participate in work-study you are required to complete state and federal tax forms. The I-9 form requires legal identification. You must bring to campus either 1) a valid passport **OR** 2) an original Social Security card or birth certificate AND a photo ID. You can use your Hampshire ID. **If you do not have work study as part of your financial aid offer package, you cannot work in a work-study position.**

**Follow Up:** You must accept your financial aid offers. To accept your offers on TheHUB, log in and then select My Award Letter from the Menu at the top of the page. Scroll down and by clicking pending one by one you can change each offer to Accepted or Declined as needed. If you are accepting all or your aid offer you can click accept all at the bottom. Then SUBMIT when you are done.

Your acceptance authorizes us to process your federal loans and to apply your aid to your college bill. Financial aid offers cannot be credited to your bill until ten days before the first day of classes each semester.

Please note if your FAFSA report is selected for the verification process we cannot credit your aid until all additional documents have been received and the verification process is complete. We will notify you at a later date regarding the items we need in order to complete this process.

**If you have questions about your financial aid please call us at 413-559-5484, email us at [financialaid@hampshire.edu](mailto:financialaid@hampshire.edu) or visit <http://financialaid.hampshire.edu>. If you have billing questions, please call the Student Accounts Office at 413-559-6982 or email them at [studentaccounts@hampshire.edu](mailto:studentaccounts@hampshire.edu).**
