We need to verify your completion of a high school program or its equivalent. Hampshire College must have one of the following documents to verify the student's high school completion status when the student is enrolled in 2018-2019:

- A copy of the student's high school diploma.
- A copy of the student's final official high school transcript that shows the date when the diploma was awarded.
- A state certificate or transcript received by the student after the student passed a State-authorized examination (GED test, HiSET, TASC, or other State-authorized examination) that the State recognizes as the equivalent of a high school diploma. Please specify the name of the examination: _____
- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), we need a copy of a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

Check here if you provided the Hampshire College admissions office with one of the documents listed above. Please circle the bullet in the list above which corresponds to the specific document. We will verify that they have the document and if the admissions office has it you will not need to send another copy to the financial aid office.
