**SECTION C: Verification of 2016 Income**

If you are single and a dependent student we will need to verify your and your parents' 2016 income (the parents are those who are listed on your FAFSA). If you are married, we need to verify your and your spouse's 2016 income. If you are single and an independent student we will need to verify your 2016 income. We CANNOT accept a copy of an actual tax return to verify income. Income may be verified by one of the methods listed below. Please review each of these methods to see if they apply to you, your parents, and/or your spouse:

- 1. If you, your spouse, and/or your parents filed a 2016 IRS income tax return, the easiest and fastest way to verify income is to use the Data Retrieval Tool (DRT) on the FAFSA. Hampshire College will receive a new FAFSA report indicating that the DRT was used to import income and tax data from the IRS. Information about the IRS Data Retrieval Tool is available on our website, <https://financialaid.hampshire.edu>; click on the Verification Process link on the first page.

**Check here  if you and/or your parents or spouse filed a 2016 IRS income tax return and used or will use the DRT to verify 2016 income; you and/or your parents (or spouse) may now skip to Section E.**

- 2. Some tax filers are not eligible to use the DRT including those who are married but filed separately or those who filed an amended tax return. If you are not able to use the DRT you may request a 2016 IRS Tax Return Transcript directly from the IRS. You will then send the transcript to the Hampshire College financial aid office. Instructions on how to request a Tax Return Transcript is available on our website, <https://financialaid.hampshire.edu>; click on the Verification Process link on the first page.

**Check here  if you and/or your parents or spouse filed a 2016 IRS income tax return and will request a Tax Return Transcript to verify 2016 income; you and/or your parents (or spouse) may now skip to Section E.**

- 3. If you, your spouse, and/or your parent did not file, and was not required to file, a 2016 IRS income tax return please check the appropriate box(es) below that apply and follow the corresponding instructions:

3A: Student was not employed and had no income from work in 2016 and was not required to file a 2016 IRS income tax return. **If checked and if student is a dependent student, student may skip to Section E. If checked and if student is an independent student, student may skip to Section D. A dependent student is one whose FAFSA requires information about one's parent(s). An independent student is one whose FAFSA does NOT require information about one's parent(s).**

3B: Student's spouse was not employed and had no income from work in 2016 and was not required to file a 2016 IRS income tax return. **If checked, student's spouse may now skip to Section D.**

3C: Both custodial parents were not employed and had no income from work in 2016 and were not required to file a 2016 IRS income tax return. **If checked, parents may now skip to Section D.**

3D: Student, spouse, or one or both custodial parents, were employed in 2016 and had earnings from work but were not required to file a 2016 IRS tax return. **If checked, please complete the non-tax filing statement below and then continue to Section D.**

**SECTION D: Verification of Non-tax filing – Read to learn if this applies to you or your parent(s)**

- If you, your spouse, and/or your parent(s) each filed a 2016 income tax return with the IRS or other relevant tax authority, you DO NOT need to complete this section and you may skip to Section E.
- If you are a dependent student and did not file a 2016 income tax return you DO NOT need to complete this section and you may skip to Section E. A dependent student is one whose FAFSA requires information about one's parent(s).
- If you are a dependent student and one or both of your custodial parents did not file a 2016 income tax return you DO need to provide documentation to verify the non-tax filing of the parent(s). A dependent student is one whose FAFSA requires information about one's parent(s).
- If you are an independent student and did not file a 2016 income tax return you DO need to provide documentation to verify non-tax filing. An independent student is one whose FAFSA does NOT require information about one's parent(s).

If you are required to verify non-tax filing as outlined above, we need the "Verification of Non-filing Letter" from the IRS or other relevant tax authority dated on or after October 1, 2017 confirming that a 2016 income tax return was not filed.

**SECTION E: High School Completion Status**

We need to verify your completion of a high school program or its equivalent. Hampshire College must have one of the following documents that will indicate the student's high school completion status when the student enrolls for 2018-19:

- A copy of the student's high school diploma.
- A copy of the student's final official high school transcript that shows the date when the diploma was awarded.
- A state certificate or transcript received by the student after the student passed a State-authorized examination (GED test, HiSET, TASC, or other State-authorized examination) that the State recognizes as the equivalent of a high school diploma. Please specify the name of the examination: \_\_\_\_\_
- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), we need a copy of a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

Check here if you provided the Hampshire College admissions office with one of the documents listed above. Please circle the bullet in the list above which corresponds to the specific document. We will verify that they have the document and if the admissions office has it you will not need to send another copy to the financial aid office.

If the student is unable to provide one of the above documents, please contact the Hampshire College financial aid office.
