SECTION C: Verification of 2018 Income

If you are single and a dependent student, we will need to verify your and your parents' 2018 income (the parents are those who are listed on your FAFSA). If you are married, we need to verify your and your spouse's 2018 income. If you are single and an independent student, we will need to verify your 2018 income. Income may be verified by one of the methods listed below. Please review each of these methods to see if they apply to you, your parents, and/or your spouse:

1. If you, your spouse, and/or your parents filed a 2018 IRS income tax return, the easiest and fastest way to verify income is to use the Data Retrieval Tool (DRT) on the FAFSA. Hampshire College will receive a new FAFSA report indicating that the DRT was used to import income and tax data from the IRS. Information about the IRS Data Retrieval Tool is available on our website, <https://financialaid.hampshire.edu>; click on the Verification Process link on the first page.

Check here if you and/or your parents or spouse filed a 2018 IRS income tax return and used or will use the DRT to verify 2018 income; you and/or your parents (or spouse) may now skip to Section E.

2. Some tax filers are not eligible to use the DRT including those who are married but filed separately or those who filed an amended tax return. If you are not able to use the DRT you may request a 2018 IRS Tax Return Transcript directly from the IRS. You will then send the transcript to the Hampshire College financial aid office; be sure student's name is written on the transcript. Or, you may send us a SIGNED copy of the actual 2018 IRS 1040 tax return. Please send us the first two pages of the tax return along with all Schedules, and be sure that at least one of the tax filers sign the form on the Signature line. Instructions on how to request a Tax Return Transcript are available on our website, <https://financialaid.hampshire.edu>; click on the Verification Process link on the first page.

Check here if you and/or your parents or spouse filed a 2018 IRS income tax return and will request a Tax Return Transcript or will send us a SIGNED copy of the 2018 IRS 1040 tax return to verify 2018 income; you and/or your parents (or spouse) may now skip to Section E.

3. If you, your spouse, and/or your parent did not file, and was not required to file, a 2018 IRS income tax return please check the appropriate box(es) below that apply and follow the corresponding instructions:

3A: Student was not employed and had no income from work in 2018 and was not required to file a 2018 IRS income tax return. **If checked and if student is a dependent student, student may skip to Section E. An independent student is one whose FAFSA does NOT require information about one's parent(s).**
