Procedures and Policy for Tuition Grant Benefit

Employee required to complete a separate application for each dependent for each semester. Along with the completed application employees are required to supply;

- a copy of the current bill
- proof of the dependent's age (i.e. driver's license, birth certificate, when first applying)
- official verification that the child is a dependent (copy of most recent tax return, once a year)
- and at the end of each semester supply an Enrollment Certification for the prior semester

All items are necessary in processing the application in a timely manner. If dependent voluntarily withdraws from school and/or is eligible for a refund, the Human Resources Office must be notified in order to determine what portion, if any, of the refund is to be returned to Hampshire College.

The tuition grant is limited to four academic years, until the dependent earns a bachelor's degree, or reaches age of twenty-five (25), which ever occurs first.
