Harold F. Johnson Library Activities 2014-2015

Five Colleges provides circulation statistics annually. This graph depicts circulation July 1, 2013 - June 20, 2014. We do not yet have annual statistics for 2014-2015.

Having a small collection at Hampshire means that we have a collection that is relevant to our curriculum and a collection that is used. For example, in 2014, our library circulated 60,522 from our collection of 133,000 books.
